We work with a good Indian Exporter for industrial grade conventional walnuts as well as Organic light walnuts. Their material is 6 times laser scanned, metal detected, treated for germ reduction and they have FSSC 2200 accreditation.

I would like you to send these offers to your customers and see if we can get their feedback on the prices.

Organic Light Halves – €9.68/kg

Also can be offered

Organic Light Quarters and Brokens – €7.80/kg

Conventional Light amber brokens - €5.60/kg

Prices DDP France based on minimum indicated volume

First new crop shipments will be end October.

Announced date available (10/10/17) to be confirmed
